EXAMINER'S COMMENT

This Office Action is responsive to the applicants' amendment filed on April 15, 2005.
Overall, claims 1-19 are pending in this application.

Drawings

The drawings were received on April 15, 2005. These drawings are acceptable.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or render obvious the claimed combination including: first and second eccentric units mounted to the rotating shaft to be placed in the first and second compression chambers, respectively; one of the eccentric units being eccentric from the rotating shaft to execute a compression operation while a remaining one of the eccentric units is released from eccentricity from the rotating shaft to execute an idle rotation according to a rotating direction of the rotating shaft; first and second rollers being fitted over the eccentric units with inside portions of ends of the first and second rollers being spaced apart from inside surfaces of the first and second flanges, respectively, offsetting pressure applied to the ends of the first and second rollers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Prior Art

The IDS (PTO-1449) filed on April 6, 2005 has been considered. An initialized copy is attached hereto.
